We would need confirmation where the goods are located e.g. residential or commercial premises.

Our fees are £90 per hour per officer (minimum of 3 hours to include travelling time) plus 4% of the estimated value of the goods.

The procedure will be that once the sealed Writ has been lodged with us, we will attend at the address to which we are directed in order to confirm the goods are there and following this arrange an appointment with you to collect your goods. We would need to confirm if you are prepared to be in attendance at the time of execution to accept delivery of the goods to enable us to formally hand them over into your control. We can discuss any additional requirements.

Our role in such matters is to facilitate a safe and secure handover of the goods at the time of execution and dependant on the nature of the goods, the claimant would be responsible for supplying a suitable vehicle to carry the goods, once they are handed back into your control.

If you wish to instruct us, please could you direct the Writ to our Authorised High Court Enforcement Officer - Simon Williamson. Or if transferring to the High Court using our free of charge service please contact us 01992 663 399.
